OBJECTIVE

As a BCA student with a passion for web development , my objective is to become a proficient frontend developer. I aim to leverage my programming skills and creativity to craft user-friendly, visually appealing websites and web applications. I aspire to work with innovative teams and contribute to cutting-edge projects, continuously improving my skills in HTML, CSS, JavaScript, and frontend technologies to deliver outstanding user experiences.
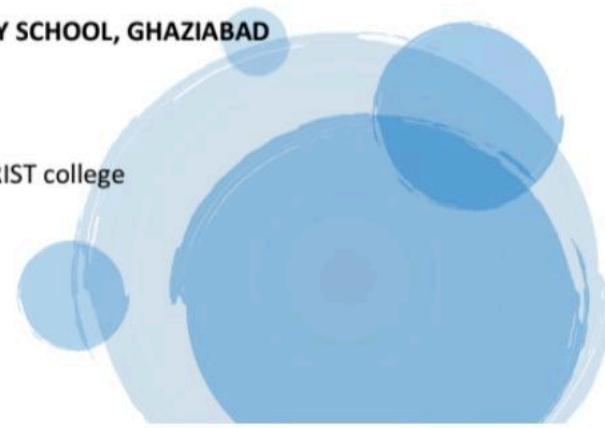

SUMMARY

As a BCA student with a deep passion for web development. I am eager to kick-start my career as a frontend developer. Armed with a basic understanding of HTML, CSS, JavaScript, I have honed my skills through personal projects and coursework. I am committed to creating engaging and user-friendly wen experiences, and I am exicted to contribute my creativity and enthusiasm to a dynamic team. My strong foundation , combined with a dedication to staying updated with the latest industry trends, makes me a valuable addition to any organization seeking a motivated frontend developer.
